

CFHPC Applicant Summary

1. **Candidate #2024-04** This candidate is a 47-year-old Hispanic male who has previously served on the Planning Council. Although the candidate did not complete their term, he would like to rejoin the Planning Council to give a voice to the clients in the Ryan White system of care. This candidate is committed to advocating for HIV and STI services and supporting the community. As a person with HIV and a community advocate for over 20 years, the candidate feels he has firsthand experience and a unique perspective on the challenges people with HIV face. The candidate also feels that his planning experience, budgeting and financial planning background could be helpful to the Planning Council.

Candidates Suggested Committee: Service Systems Planning & Quality

- **Interview Update:** Candidate #2024-04 received an average score of 25.3 out of 40 across all competencies that were evaluated by the three interviewers. The candidate demonstrated strong communication skills and a clear passion for community involvement. While the applicant scored moderately in areas of stress management and conflict resolution, they expressed a strong motivation to contribute to improving the quality of care for Ryan White clients. The candidate is open to serving on either committee, with a preference for the SSPQ committee. Notably, the candidate has no conflicts of interest and was unanimously recommended by all interviewers.
- **Membership & Engagement Committee Update:** The committee reviewed and discussed the applicant summary and recommended to move the candidate forward by a majority vote. The committee recommended that the applicant be appointed to Membership & Engagement.

Next Steps: If recommended for appointment by the Executive Committee, the candidate will move forward to the Planning Council Business meeting for a review and vote.
