AIDS Drug Assistance Program

ADAP is a statewide, federally funded prescription medication program for qualifying people living with HIV.

This program provides access to medications to eligible clients either directly or by purchase of health insurance that includes coverage for HIV medications.

To Enroll

1. You must be determined eligible to receive HIV patient care services through the patient care [eligibility](#) screening process
2. Have income at 400% or less of the federal poverty level
3. Visit [ADAP enrollment page](#)
4. Call your local [county health department](#) and speak with an ADAP staff member
5. Enroll in ADAP
6. Get your prescriptions filled

ADAP Online Recertification

- Clients can enroll or recertify for ADAP services online
- Convenient and secure method of enrollment or recertification
- ADAP policy requires each clients to re-enroll every 12 months to remain active in the ADAP program
