

Ways To Best Meet Needs

Directives to the Recipient

2023-2024

Scope (applies to...i.e. counties, Part A, Part B, etc.)	Directive
Orlando Service Area Part A & Part B	To encourage all RWHAP-funded providers, including case managers, to participate in training that focuses on a harm reduction model to mental health and substance use. The lead agency/recipient shall be responsible for selecting the training models or content for subrecipients.
	To encourage all RWHAP-funded providers to participate in leadership training developed and/or approved by the recipient's office, which includes awareness of compassion fatigue and customer service.
	To monitor and promote the care continuum for the Test and Treat (Rapid Access) model.
	To work with subrecipients to establish and/or enhance best practices for meaningful engagement of consumers via Consumer Advisory Boards (CABs).
	To convene a task force of peers with lived experience to help inform the development of a curriculum and certification process for peers in the Ryan White system of care.
