

Food Bank/Home Delivered Meals

Health Resources and Services Administration (HRSA) Definition: Food Bank/Home-Delivered Meals refer to the provision of actual food items, hot meals, or a voucher program to purchase food. This also includes the provision of essential non-food items that are limited to the following:

- Personal hygiene products
- Household cleaning supplies
- Water filtration/purification systems in communities where issues of water safety exist

Program Guidance: Unallowable costs include household appliances, pet foods, and other non-essential products.

Eligibility: Clients accessing Food Bank/Home Delivered Meals Services shall be at or below 200% of the Federal Poverty Level (FPL) and not be eligible for Supplemental Nutrition Assistance Program (SNAP) benefits. Case Managers can request an override from the Recipient's Office or the Lead Agency under special circumstances.

1.0 Agencies Policies and Procedures for Food Pantries and Home-Delivered Meals

The agencies shall have policies and procedures to ensure that the services are accessible to all eligible clients. The agency policies and procedures shall ensure compliance with the following standards.
