Reports: Recipient & Lead Agency	Part A Monthly Expenditure Report (Expenditures as of June 30, 2025) Claudia Yabrudy reported the following:

- Percentage of Fiscal Year Transpired: 33.33%
- Target Expenditures: 33.33%
- Actual Expenditures 35.15%
- Difference: -1.82%

Claudia Yabrudy provided the following information regarding the Part A monthly expenditure:

- This report is based on the original allocation. The percentages will likely change once the proposed reallocations are implemented.
- With the final allocation, expenditures are closer to 37%, which is over target
- The following service categories are above target expenditure:
 - Outpatient/Ambulatory Health Services – due to increased utilization in Specialty Care
 - Oral Health Care – due to high utilization, though the Recipient's office is still working to manage utilization and overrides
 - Mental Health Services – due to an increased demand for services
 - Medical Nutrition Therapy
- The following service categories are below target expenditure:
 - Health Insurance Premium & Cost-Sharing Assistance – appears low due to delays in claims processing
 - Medical Case Management – due to vacancies
 - Substance Abuse Services – Outpatient – demand for this service has not been high due to the service being available from other providers
 - Food Bank/Home-Delivered Meals – the expenditure will increase when another bulk order of food cards is processed

Part A Proposed 2025-2026 Reallocations

Claudia Yabrudy presented the proposed reallocations in the Part A grant necessitated by a 5% reduction in the final federal award, resulting in a difference of \$606,988 between the allocations approved in March 2025 and the proposed reallocations. She noted that the impact of this reduction was reduced by Part A having already shifted some service categories to EHE. She reviewed each line item, providing justifications for each reallocation.

Allocation Category	Difference March 2025 vs Proposed Allocation
Outpatient/Ambulatory Health Services	\$260,085
Local Pharmacy Assistance Program	\$0
Oral Health Care	-\$133,402
Early Intervention Services	\$0
Health Insurance Premium & Cost Sharing Assistance	-\$29,619

Mental Health Services	\$90,000
Medical Nutrition Therapy	\$0
Medical Case Management	-\$395,000
Substance Abuse Services – Outpatient	-\$4,002
Home & Community-Based Health Services	\$0
Referral for Healthcare/Support Services	-\$35,000
Food Bank/Home-Delivered Meals	-\$139,503
Medical Transportation Services	-\$13,811
Clinical Quality Management	-\$84,257
Administration	-\$122,479
Total Difference	-\$606,988

Claudia answered questions from members regarding the increased utilization of specialty providers and which service categories were moved to the EHE initiative. Claudia indicated that the information on which specialists are being utilized can be shared with the SSPQ committee. She also answered clarifying questions from members regarding the proposed reallocations.

See attached for the approved reallocations slate.

Motion: Alelia Munroe made a motion to adopt the reallocation slate for 2025-2026. Jules Smith seconded the motion.

Part B Monthly Expenditure Report ***(Expenditures as of June 30, 2025)***

Yasmin Andre reported the following:

- Grant Month Number: 3 (of 6)
- Target Expenditures: 50%
- Actual Expenditures 44%
- Difference: 6%

Yasmin provided the following information regarding the Part B monthly expenditures:

- The following service categories are above target expenditure:
 - AIDS Pharmaceutical Assistance – This line has been covering for a closed alternative funding source for nutritional supplements
 - Medical Transportation Services – Due to increased utilization of service
 - Non-Medical Case Management

- The following service categories are below target expenditure:
 - Early Intervention Services – due to staff vacancies
 - Health Insurance Premium & Cost Sharing Assistance – due to low utilization
 - Home & Community-Based Care – due to low utilization
 - Mental Health Services – due to low utilization
 - Oral Health Care – due to delayed invoices
 - Outpatient Ambulatory Health Services – due to spending down GR funds first
 - Emergency Financial Assistance – low utilization of service
 - Referral for Healthcare Support – due to increased shift in activity to MCM
- An amendment to account for service categories with low utilization will be reflected in next month's report
- Part B is still waiting to hear from the state on whether the contract will be extended after September

GR Monthly Expenditure Report
(Expenditure as of June 30, 2025)
