

**ALL  
AMERICAN  
BENEFITS**

# WHO ARE WE?

## Licensed health insurance professionals specializing in:

- ACA Marketplace coverage
- Medicare plans
- Medicaid guidance
- Prescription drug coverage
- Support for underserved populations

## Our focus:

- ✓ Helping patients understand coverage options
- ✓ Enrolling individuals into appropriate plans
- ✓ Ensuring access to medications and care
- ✓ Reducing administrative burden for clinics

## THE PROBLEM WE HELP SOLVE

Many patients currently face **barriers** such as:

- No insurance or limited insurance coverage
- High medication costs
- Difficulty navigating enrollment systems
- Language barriers
- Lack of understanding of benefits

# IN FLORIDA, WE WORK WITH THE FOLLOWING COMPANIES:

# THAT OUR PLANS INCLUDE

These plans include coverage for medical care, specialists, hospitalization and prescription medications, mental health, etc.

These companies offer coverage for medications for the prevention of HIV and AIDS, as well as treatments such as:

## **Examples of medications:**

- Prevention (PrEP)
- Descovy
- HIV Treatment
- Biktarvy

Agents & Brokers:  
Selling in the Marketplace

## Special Enrollment Period (SEP) for Florida ADAP Consumers

On February 27, 2026, the Centers for Medicare & Medicaid Services (CMS) released a Special Enrollment Period (SEP) bulletin. Consumers who are losing eligibility for premium subsidies for their Marketplace coverage under Florida's AIDS Drug Assistance Program (ADAP) as of March 1, 2026, are eligible for an SEP to change their Marketplace plan.

**Consumers have until April 30, 2026, to use their SEP to select a new plan, if they wish to do so.**
