

## MCM SS Feedback

Pg. 4: 1.4 Remove the requirement for the HIV 501 initial within 1 year, leave the annual update

Pg 7: 2.3 should be 2.1

The Acuity Assessment should be completed before the Client Assessment as the client cannot be assigned to the MCM without the Acuity being completed.

Pg 10: 2.7 – add “if applicable” after the oral health referral statement
