Today marks the 36th anniversary of the Ryan White Comprehensive AIDS Resources Emergency Act, which was signed into law on August 18, 1990. 📆

What began as an urgent effort to support those most effected has grown into a lifeline for hundreds of thousands of people every year. The Ryan White HIV/AIDS Program (RWHAP) remains the largest federally funded program for providing HIV care and treatment in the United States, providing medical care, medication, and the support needed for people with HIV to live full, healthy lives. ❤️

We at CFHPC remain committed to doing our part to end the HIV epidemic!
